These are the same as the manuals given to official dealer workshops, they contain detailed instructions and step by step diagrams for all workshop procedures - everything from re-wiring to rebuilding the engine - as well as electrical diagrams, service procedures, fluid capacities, etc. These manufacturer's instructions are the same as those used by your mechanic to work on the vehicle. This manual can be kept on your hard drive, burned to CDROM, printed out in its entirety or just the pages you need.
